

Saturday Town Halls Livestreamed on Facebook

My Saturday Town Hall is taking a break on Saturday, October 31, but it will return in November.

My guest on the Saturday, October 24, Town Hall was Betty Duong, the Public Information Officer at the County's Emergency Operations Center. She provided a wealth of information on resources for COVID-19 prevention, how the County is helping businesses adapt to the required safety measures and making sure that residents in all neighborhoods receive information and have access to COVID-19 testing.
